

1000 Books Before Kindergarten

The Program is self driven so you could finish it in a few months or spread it out over a few years. It is completely up to you and your family!

Why 1000 books before Kindergarten?

- Bonding between adults and children
- Establishing strong early literacy skills
- Creating positive feelings about reading and learning
 - 1 Book a day for 3 years=1,095 Books!
 - 3 Books a day for 1 year=1,095 Books
- Read a different book or the same book over and over

Interested in Learning More?

We will be having an early childhood education speaker to kick off this program while your kids enjoy activities with library staff.
